These allocations shall be based on a six (6) period workday, and shall be calculated pursuant to administrative estimates of expected enrollments during the third school month of each semester.

Pupils in special education classes, alternative classes, opportunity classes, special day classes for work experience, physically handicapped classes, and study hall are excluded from the enrollment estimates for purposes of determining the aforementioned allocation.

- 7.2 Staffing adjustments needed to meet this ratio in Section 7.1 at any 7-12 school shall be made as necessary dependent upon student enrollment. When 7-12 staffing indicates a change of .2 FTE or more, staffing will be adjusted accordingly.

$176/5=35.2 \times 3 = 105.6$ total contacts for 2 English courses and 1 Health course and $255/5=51 \times 2 = 102$ total contacts for 2 PE courses. These two sets of numbers do not become a combined number when establishing a teacher's total student contacts.

D. The District will designate one (1) day for the Association to meet with the new employees for approximately two (2) hours' time during one (1) of the days scheduled as an in-service day listed herein.

ARTICLE 14
EVALUATIONS

14.1 Purpose of Evaluation Procedures:

- A. The expressed purpose of the evaluation procedures outlined in this article is the improvement of instruction and the professional growth of the certificated unit members in District schools. Evaluation and assessment of each unit member shall be made on a continuing basis as follows:
1. At least once each school year for probationary unit members.
 2. At least every other year for unit members with permanent status.
 3. At least every five (5) years for unit members with permanent status who have been employed at least ten (10) years with the District, are highly qualified, if necessary, as defined in 20 U.S.C. Sec. 7801, and whose previous evaluation rated the employee as meeting or exceeding standards, if the evaluator and the unit member being evaluated agree. The unit member or the evaluator may withdraw consent at any time. Consent may not be withdrawn for arbitrary or capricious reasons. (See Appendix J.)
- B. The procedures detailing the evaluation of teachers are designed to operate in an atmosphere of mutual agreement and professional respect. Where it becomes necessary to resolve and remediate problems in classroom instruction, these procedures continue to operate in that same atmosphere of mutual agreement and professional respect. However, it is understood that some instructional problems may not be resolved within the guidelines of these procedures. In such cases, other articles of this contract will apply.
- C. The focus of the evaluation will be the evaluation plan, the teacher's job description, the requirements in the Education Code and the California Standards for the Teaching Profession. The standards to be used for classroom teachers are:
1. Engaging and Supporting All Students in Learning
 2. Creating and Maintaining Effective Environments for Student Learning
 3. Understanding and Organizing Subject Matter for Student Learning
 4. Planning Instruction and Designing Learning Experiences for All Students
 5. Assessing Student Learning

6. Developing as a Professional Educator
7. Progress of Students toward District or State Standards

D. Unit members who are not classroom teachers will use standards that will be developed collaboratively by the District and Association. These standards will be mutually agreed upon by both parties. As they are developed, they will be added to the contract by side letter.

14.2 Personal and Academic Freedom:

- A. The personal life of a unit member shall not be a subject of this formal evaluation procedure.
- B. The right to study any controversial issue in the classroom, related to the objectives of that class, which has political, economic, or social significance and is not in conflict with Board policy, shall not be a subject of this evaluation procedure.

14.3 Overview of the Evaluation Procedures:

- A. This article establishes a dual-track evaluation procedure, each with specific evaluation criteria designed to improve instruction and professional growth.
 1. The PROFESSIONAL GROWTH TRACK is designed to allow certificated unit members to define a program of professional growth for the period of evaluation and to be evaluated in terms of that program.
 2. The program will be discussed with the evaluator and a statement of achievement or progress will be completed at the end of the evaluation period. Unit members in the PROFESSIONAL GROWTH TRACK will be evaluated biennially.
 3. The SUPPORT TRACK is designed to assist unit members in specific areas of improvement of instruction. In the 7-12 program all temporary and probationary unit members will be placed in this track as well as other unit members who have received an "unsatisfactory" or "requires improvement" in the composite evaluation section of the evaluation form. Unit members serving in the first two (2) years of an hourly assignment will be placed in this track. Unit members in the SUPPORT TRACK will be evaluated annually.
 4. A meeting to discuss the evaluation process will be held within thirty (30) duty days of the beginning of the school year. This meeting may include all unit members to be evaluated in a single group. Individual meetings may also be scheduled by evaluators.

B. Summer School/Intersession

Unit members employed for Summer School or Intersession shall be evaluated according to the following categories:

2. Those unit members who are teaching in Sweetwater Union High School District for the first time.

C. Handling Disputes

When a dispute: arises during the evaluation process, a meeting with a member of Human Resources, the Association, the site evaluator and the unit member may be scheduled by either the evaluator or the unit member. Disputes concerning the development of the growth plan are not subject to this section. However, disputes over changes to the established growth plan will be subject to this section.

14.4 The Professional Growth Track:

A. Professional Growth Track Placement

1. A certified 7-12 unit member with permanent status, or an hourly employee in the third year of service or beyond, will be placed in the PROFESSIONAL GROWTH TRACK.
2. Placement in the PROFESSIONAL GROWTH TRACK is automatic if all SUPPORT TRACK evaluations have been satisfactory.
3. A unit member may be placed on the PROFESSIONAL GROWTH evaluation cycle during his/her "off" year if concerns are identified and validated through documentation. A growth plan in the area of concern will be developed.
4. The principal may decide to "continue" a unit member's evaluation from one (1) year to the next. The following criteria will be followed:
 - a. The decision to "continue" an evaluation is made when:
 - 1) The evaluator has expressed written concerns by way of a written assistance plan over the performance of the unit member, but decides that the full impact of a negative evaluation is unwarranted and that more time should be allowed before coming to judgment. These concerns, however, will have been documented by the evaluator and will have been discussed with the unit member, OR

- 2) The unit member has been on leave for forty-five (45) duty days or more during the year of evaluation and that absence causes the principal/supervisor to determine they are unable to make a comprehensive decision due to the substantial period of absence.
- b. Marking the "continue" box simply postpones the official evaluation. It does not constitute a negative evaluation, nor should it be interpreted as such. Probationary and temporary unit members and other unit members in SUPPORT TRACK cannot be "continued."
- c. If conditions set forth in 14.4.A.4.a exist at the end of that extension period, the evaluation may be continued for one (1) more year only, at which time the summary evaluation report must be completed. No record of continued evaluations shall be kept past the completion of the next evaluation period.
- d. The intent of continuing an evaluation period is to make every effort to assist, counsel and direct the unit member in improving his/her classroom instruction. The decision to "continue" an evaluation shall not be made in an arbitrary or capricious manner.

B. Establishing a Professional Growth Track Plan

1. The requirements of the Professional Growth Track are designed to give maximum flexibility to both the evaluator and the unit members being evaluated in fixing dates for meetings, observations and discussions.
2. Individual growth plans will be submitted by unit members within thirty (30) duty days of the meeting to discuss the growth plans as described above. The focus of the growth plan will be one or two (2) of the standards (14.1.C.).
3. The various aspects of the plan details, purposes, measures of progress within this plan-may be discussed with the evaluator. It is the intent that both the evaluator and the unit member will agree on the details of this plan. The District and the Association may propose a list of professional growth activities for unit members to consider, but such a list is advisory, and is only meant to offer suggestions and assistance.
4. If there is any continuing or unresolved disagreement between the evaluator and unit member over the details of this plan, then the unit member will make the final decisions concerning the content, purpose, direction and/or scope of the plan.

5. Other meetings to discuss the progress of the professional growth plan may be held at any time in the second semester with the dates and times determined by mutual agreement. This program of professional growth will be discussed with the evaluator and a statement of achievement or progress will be given to the evaluator prior to the summary evaluation conference.

B. Determining a Support Track Growth Plan

1. In the SUPPORT TRACK a growth plan will be determined by mutual agreement. The scope of this plan is a matter for discussion between the evaluator and the unit member being evaluated. The focus of the growth plan will be one (1) or two (2) of the standards found in Section 14.1.C.
2. Both evaluator and unit member will agree on the growth plan that will serve as the basis of the composite evaluation. Agreement on the growth plan in the SUPPORT TRACK must be made within forty-five (45) duty days of the beginning of the school year.

3. A pre-observation data sheet may be required prior to a formal observation. There should be mutual agreement concerning the details and scope of this requirement.

4. A post-observation conference will be scheduled within two (2) weeks (ten [10] duty days) after any formal observation.

16.3 Composition of the Faculty Advisory Committee (FAC):

In the event that there are no bilingual classes at a site, or there is no representative for bilingual education, then any unit member at the site who holds a bilingual credential may volunteer to represent the department. In the event a teacher elects to be identified as represented

by the bilingual education representative, they shall not participate in the election of other FAC representatives.

- C. Bargaining unit members in all other departments select the at-large committee members only.
- D. Individuals whose assignments are composed of three (3) or more assignments in an at-large area select at-large committee members only. 16.4 Selection of Committee Members:

The FAC will be selected by the end of the third week of semester I of each year. The principal working with the site representative of the Association shall conduct the election. - F. Bargaining unit members may appeal to the FAC for review of master schedule changes. In light of the parties' interest in minimizing preparatory assignments and establishing and maintaining equity with teaching assignments, bargaining unit member appeals to the master schedule must be addressed by the FAC and resolved to the best of the ability of the committee.

Bargaining unit members making the appeal may request from the FAC a written statement indicating the rationale for the committee's recommendation(s). The recommendation of the FAC shall be limited to the committee members.

Written rationale for the committee's recommendations or for a decision to not discuss a topic shall be in writing, include rationale, and be signed by the principal and the Association representative on the FAC. 17.2 Purpose:

- A. The purpose of this grievance procedure is to secure, at the administration level closest to the grievance, solutions to problems which may arise from time to time. The parties agree that confidentiality at any level should be maintained. The grievance procedure shall not be construed as in any way hindering, discouraging, or denying the settlement of problems outside the structure of the grievance procedure.
- B. Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement.
- C. In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein may be reduced by mutual agreement, so that the procedure may be completed prior to the end of the school year, or as soon as is practicable.

17.4 Procedure:

A. **Preliminary Level:**

The grievant will first discuss the grievance with the appropriate principal or immediate supervisor with the objective of resolving the matter.

B. **Level I - School Principal/Immediate Supervisor:**

If the grievance is not settled during the preliminary step and the grievant wishes to formally grieve the matter he/she shall present the grievance in writing on the appropriate form to the principal/immediate supervisor, to the Association site representative, and to the president of the Association.

A grievance should be filed within thirty (30) duty days after the act or omission being grieved had occurred.

The written grievance shall contain the following information:

1. A concise description of the grievance including necessary names, dates, and places related to the allegation(s).
2. A listing of provision(s) of these articles which are alleged to have been violated, misapplied, or misinterpreted.
3. A listing of the specific remedy sought.

Within ten (10) duty days following receipt of the written grievance, the principal/immediate supervisor shall meet with the grievant and an Association representative, if requested by the grievant or the Association.

The principal/immediate supervisor shall within ten (10) duty days after meeting with the grievant, render a written decision and the reasons for that decision, in writing, to the grievant and the Association.

C. **Level II - Superintendent or His/Her Designee:**

If the grievance is not settled during the Preliminary or Level I steps and the grievant wishes to continue to grieve the matter, he/she shall present the grievance in writing on the appropriate form to the Superintendent or his/her designee, to the Association site representative, and to the president of the Association within ten (10) duty days from the issuance of the decision at Level I.

Within ten (10) duty days following receipt of the written grievance, the Superintendent of his/her designee shall meet with the grievant and an Association representative, if requested by the grievant or the Association. The Superintendent

or his/her designee within ten (10) duty days after meeting with the grievant shall render a written decision to the grievant and the Association.

D. Level III - Settlement Conference:

If the grievant is not satisfied with the disposition of his/her grievance at Level II, the grievant may request that the Association initiate a mandatory settlement conference within fifteen (15) duty days following the Level II decision or the expiration of the time line to the Superintendent or his/her designee. The Association shall be involved in any settlement conference.

Settlement conference held in accordance with this section shall be held no later than twenty (20) duty days after the initial request for the conference.

E. Mediation:

By mutual agreement, the Association and the District may take the matter to mediation. Mediation may be requested before or after the settlement conference.

F. Appeal to Arbitration:

1. If the grievant is not satisfied with the disposition of his/her grievance at Level II or if no written decision has been rendered within ten (10) duty days as required in Level II by the Superintendent or his/her designee, the Association may initiate arbitration proceedings within thirty (30) duty days, following the Level II decision or the expiration of time lines for the Superintendent or his/her designee's decision.

2. If arbitration is initiated by the Association, the Association and the Superintendent or his/her designee shall select a mutually acceptable arbitrator. Should they be unable to agree on an arbitrator within ten (10) Duty days of the Association's submission of the grievance to arbitration, submission of the grievance shall be made by selecting a list of arbitrators from the American Arbitration Association (AAA) or the California State Mediation and Conciliation Service (CSMCS).

In any event, the parties will then be bound by the rules and procedures of the AAA in the selection of an arbitrator and the arbitrator shall proceed under the Voluntary Labor Arbitration Rules of said Association.

If any questions arise as to the arbitrability of the grievance, such question will be ruled upon by the arbitrator only after he/she has had the opportunity to hear the merits of the grievance; however, no party in interest shall be permitted to assert any evidence before the arbitrator which was not previously disclosed to the other party. The arbitrator shall consider only those issues raised by the parties in interest.

3. The arbitrator's decision will be in writing and will set forth to all parties his/her findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator will be without power of authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement. The arbitrator will have no power to add to, subtract from, or modify the terms of this Agreement or the written policies, rules, regulations, and procedures of the District. The decision of the arbitrator shall be binding on the parties.

4. All costs for the services of the arbitrator, including but not limited to, per diem expenses, travel, and subsistence expenses will be borne equally by the Board and the Association.

Odd numbered arbitration grievance hearings shall be held at the District office; even numbered arbitration grievance hearings shall be held at the Association office. The hearing room requirements may be waived by mutual agreement of the parties. All other costs will be borne by the party incurring them. It is agreed that an arbitrator, whenever possible, shall be selected from the southern California area.

5. The arbitrator shall have no power to render an award in any grievance arising before the effective date or after the expiration date of this Agreement.

17.5 Rights of Unit Members to Representatives:

A unit member may be represented at all stages of the grievance procedure by himself/herself, or at his/her option, with a representative selected by the Association. If a unit member is not represented by the Association or its representative, the Association shall have the right to be present and to state its views at all formal levels of the grievance procedure.

17.6 Miscellaneous:

A. If a grievance arises from action or inaction on the part of a member of the Administration at a level above the principal or immediate supervisor, the grievant shall submit such grievance in writing to the Superintendent or his/her designee and the Association directly, and the processing of such grievance will be commenced at Level II.

Transfer grievances may be referred by the Superintendent or his/her designee to the appropriate Human Resources administrator.

B. Any grievance not appealed to the next step of the procedure within the prescribed time limits shall be considered settled on the basis of the answer given in the preceding level.

- C. The District may have a reasonable number of other personnel present at any level of the grievance procedure. The Association reserves the right to have a reasonable number of other approved Association representatives present at any level of the grievance procedure.
- D. Forms for filing grievances shall be prepared by the District.
- E. The Association reserves the right to withdraw a grievance which has been appealed to arbitration.

17.7 Release Time for Processing Grievances:

The District agrees to provide a reasonable number of representatives of the Association release time for the purpose of processing grievances; however, every effort will be made to process grievances at times other than during the instructional day.

17.8 Adjustment of Grievances and Exclusions:

Any employee may at any time present a grievance to the District and have such grievance adjusted, without the intervention of the Association, as long as the adjustment is reached prior to arbitration and the adjustment is not inconsistent with the terms of a written Agreement then in effect. The District shall not agree to such a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution, and the Association has been given the opportunity to file a response.

The following articles are specifically excluded from the grievance procedure:

- A. Article 20, Just Cause Suspension
- B. Article 21, Layoffs/Dismissals of Unit Members

17.9 Confidentiality of Employee Grievance File:

Employee grievance files are confidential and shall be maintained in the Office of Labor Relations. They will not be maintained in the employee's personnel file.

17.10 Interest Arbitration:

The parties, by making reference to grievances in this Agreement, do not authorize interest arbitration.

ARTICLE 18

HEALTH AND WELFARE BENEFITS

18.1 The District will pay for each eligible bargaining unit member for the following benefits:

- A. Life Insurance (\$50,000)
- B. Dental Insurance
- C. Medical Insurance
- D. Vision Care Plan

The level of benefits shall remain constant throughout the term of this Agreement unless otherwise agreed to by both the District and the Association.

Eligible dependents and registered same sex domestic partners are included in the dental, vision, and medical plans. Eligible dependents are defined as a spouse and children (including step-children, adopted children and children as a result of a court appointed guardianship). Domestic partners are defined in accordance with AB 26 and AB 205. It is understood that same sex domestic partner coverage shall be subject to all eligibility rules established by the San Diego County Voluntary Employee Benefits Association (VEBA) and that such rules and requirements shall extend to all plans and coverage provided in this article whether contracted through VEBA, self-funded by the District or directly contracted by the District. At such time as legal marriage, recognized by the State of California, is available to same sex domestic partners, the parties agree to review and modify the eligibility rules and requirements as necessary to provide that only legally married domestic partners shall be eligible.

If the cost of a member selected plan exceeds the established District contribution, the District shall automatically implement monthly payroll deductions for the excess costs.

18.2 Effective January 1, 2016, the District's maximum annual contribution shall be increased by \$1,000.00 from thirteen thousand one hundred thirty dollars (\$13,130) to fourteen thousand one hundred thirty dollars (\$14,130).

18.3 A bargaining unit member shall not receive duplicate benefits listed in Section 18.1 because of his/her inclusion in another bargaining unit of the District.

18.4 A unit member who can demonstrate that he/she is covered by a medical plan either as the dependent of another District employee, or through some other out of District source, may choose to discontinue the District provided medical plan. The insurance year is defined as January 1 through December 31. The District shall continue to pay the full cost of vision, life, and dental insurance for each unit member who opts out of the provided medical plan.

No unit member who is eligible for benefits under this article shall be at risk of losing health and welfare benefits eligibility as a result of such election.

Upon notification by the unit member to the benefits office that the declared insurance has been discontinued, the unit member will be offered the opportunity to enroll in any of the District provided benefit plans.

18.5 A bargaining unit member must be assigned to fifty percent (50%) or more of a full-time assignment in order to be eligible for health and welfare benefits listed in Section 18.1 hereinabove.

18.6 Retirement Benefits:

A. Eligibility (Retiree): To be eligible for medical benefits upon retirement, the following conditions must be met:

1. The unit member must have fifteen (15) years of service with the District. The service years do not need to be consecutive; however, there may be a break in service of no more than thirty-nine (39) months per separation. A full year of service is defined as the unit member having been in paid status for seventy-five percent (75%) or more of an assigned school year.
2. The unit member must be a current employee of the District immediately prior to retirement.
3. The unit member must be between the age of fifty-five (55) and the age of Medicare eligibility or be approved for STRS or PERS disability retirement within thirty-nine (39) months of his/her fifty-five (55) birthday.

B. Eligibility (Dependents): Dependents are eligible under the same conditions and restraints as dependents of active members.

C. Choice of Plan: The medical insurance plan shall be the plan made available to the bargaining unit members during the current school year.

D. District Contribution: The District's contribution to fund an eligible retiree's medical insurance, shall equal the then current contribution for an active unit member's medical portion of the health insurance package.

E. Retiree Contribution: If the cost of the premium for the selected medical only plan exceeds the District contribution, the retiree will remit to the District the difference between the two.

F. Termination of Benefit:

1. Retiree: Coverage under this program for the retiree and eligible dependents will cease the month the retiree reaches the age of Medicare eligibility (currently 65) or ten (10) years from the retirement date, whichever is the sooner of the two.
2. Spouse: If the spouse of an eligible retiree reaches the age of Medicare eligibility prior to the retiree, then coverage under this program will cease for the spouse.
3. If the age for Medicare eligibility changes, then this section will be reopened.

18.7 Effective January 1, 2016:

- A. Eligibility (Retiree): To be eligible for dental, vision and life benefits (“the benefits package”), upon retirement, the following conditions must be met:
1. The unit member must have twenty-five (25) years or more of service with the District. The service years do not need to be consecutive; however, there may be a break in service of no more than thirty-nine (39) months per separation. A full year of service is defined as the unit member having been in paid status for seventy-five percent (75%) or more of an assigned school year.
 2. The unit member must be a current employee of the District immediately prior to retirement.
 3. The unit member must be between the age of fifty-five (55) and the age of Medicare eligibility or be approved for STRS or PERS disability retirement within thirty-nine (39) months of his/her fifty-fifth (55th) birthday.
- B. Eligibility (Dependents): Dependents are eligible under the same conditions and restraints as dependents of active members.
- C. Choice of Plan: The benefits package’s insurance plan(s) shall be the plan made available to the bargaining unit members during the current school year.
- D. District Contribution: The District’s contribution to fund an eligible retiree’s benefits package shall equal the then current contribution for an active unit member’s dental, vision and life portion of the benefits package.
- E. Retiree Contribution: If the cost of the premium for the selected benefits package exceeds the District contribution, the retiree will remit to the District the difference between the two.

F. Termination of Benefits:

1. Retiree: Coverage under this program for the retiree and eligible dependents will cease the month the retiree reaches the age of Medicare eligibility (currently 65) or ten (10) years from the retirement date, whichever is sooner of the two.
2. Spouse: If the spouse of an eligible retiree reached the age of Medicare eligibility prior to the retiree, then coverage under this program will cease for the spouse. This provision will begin with employees who retire after the adoption of this contract.
3. If the age of Medicare eligibility changes, then this section will be amended consistent with that change.

- 18.8 Hourly paid unit members must be assigned fifteen (15) hours per week in order to be eligible for fringe benefits. An hourly paid unit member who has less than fifteen (15) hours per week but is increased to fifteen (15) hours or more per week becomes eligible for fringe benefits in the succeeding month. An hourly paid unit member whose assigned hours drop below fifteen (15) hours per week will have his/her fringe benefits terminated at the end of the month following the date his/her hours drop below fifteen (15). However, the employee may elect to continue to receive benefits under COBRA.
- 18.9 If an eligible unit member should die during the term of this article, the District shall continue to pay the premiums of all insurance (except life) provided by this article for the employee's spouse and dependents for one (1) year from the employee's death, except as the provisions contained within Section 18.1 apply.
- 18.10 Eligible employees on unpaid leaves of absence may continue their health and welfare benefits provided in Section 18.1 by making the full premium payments to the District, or by exercising their rights under COBRA. Payments must be made on a monthly basis in a timely manner.
- 18.11 The District will maintain the scope of "Section 125" which includes child care and out-of-pocket medical cost by having the program administered by a vendor who may charge individual unit members an administrative fee for its services.
- 18.12 SEA will be allotted two (2) representatives to the District health benefits committee. The committee may make recommendations to the Board of Trustees regarding insurance providers and level of benefits. Any change to the level of benefits is subject to negotiations.

ARTICLE 19

JUST CAUSE DISCIPLINE

- 19.1 The District shall not maintain any record of disciplinary action unless (a) the employee has been given ten (10) duty days to respond to such disciplinary action, and (b) the employee within the ten (10) duty days has been given the opportunity to attach any comments thereto prior to such disciplinary action being placed in the personnel file of the employee.
- 19.2 For the purposes of this article the term "disciplinary action" shall be defined as: (a) written reprimands, warnings or directives or other written notices that reflect negatively on a unit member's performance which are placed in the employee's personnel file; or (b) written notices of unprofessional conduct, including persistent refusal to obey District regulations and a notice of evident unfitness for service. The term "disciplinary action" shall not include evaluations or suspension action under Article 20, Just Cause Suspension.
- 19.3 Disciplinary action as defined in this article shall be taken only for just cause. It is the intention of the District to take a corrective rather than punitive approach to discipline. Where appropriate, disciplinary action shall be progressive in nature.
- 19.4 An employee may file a grievance concerning disciplinary action against him/her. The date of service of the disciplinary action shall be the first day of the time period in which a grievance must be filed by an employee. (See Article 17, Grievance Procedure).
- 19.5 Either the District or the Association may consolidate two (2) or more grievances filed by an employee concerning disciplinary actions under this article.
- 19.6 Either the District or the Association may consolidate two (2) or more grievances filed by more than one (1) employee concerning disciplinary actions under this article related to the same incident.
- 19.7 No additional challenge or complaint can be made against any disciplinary action under the article if any employee files a grievance concerning such disciplinary action and such grievance (a) is not processed in a timely fashion, or (b) is withdrawn, or (c) the disciplinary action is upheld by an arbitrator.
- 19.8 The District shall maintain the confidentiality of any written discipline.

ARTICLE 20

JUST CAUSE SUSPENSION

20.1 This article was entered into pursuant to section 3542.2(b) of the Government Code. This article does not include the termination of any permanent certificated employee and, except for Section 20.5, does not include the implementation of any section of the Education Code concerning the suspension or termination of any certificated employee.

20.2 An employee in the bargaining unit may be suspended by the District only for just cause. The term "suspension" shall mean suspension without pay for up to and including fifteen (15) days and loss of extra compensation.

The suspension imposed shall be reasonably related to the seriousness of the misconduct or shall be reasonable in light of the number and frequency of prior incidents of misconduct by the employee.

A verbal and/or a written reprimand will normally precede a suspension. A reasonable effort will be made to administer verbal reprimands in private.

20.3 Prior to the taking of suspension, the Superintendent or his/her designee, shall give written notice to the employee and, with permission from employee, the Association. This written notice of proposed suspension action shall be served by mail or personal delivery to the employee and, with permission from employee, the Association at least fifteen (15) calendar days prior to the date when discipline may be imposed.

In emergency situations where it is deemed appropriate to remove the employee immediately, the employee shall not lose compensation prior to the date when the suspension may commence. Loss of compensation in all cases may occur after the fifteenth calendar day following the date written notice was served.

Up to four (4) duty days suspension without pay may be imposed at the end of the fifteen (15) calendar day period stated in Section 20.2. If the suspension without pay is for more than five (5) duty days, the remaining days shall not be imposed until the employee has had the opportunity to the evidentiary hearing as provided in this article.

The written notice of proposed suspension action shall be served by personal delivery or by certified mail. Service by certified mail shall be deemed completed on the date of mailing. The contents of the written notice shall include at least the following:

- A. A statement identifying the District.
- B. A statement in ordinary and concise language of the specific act(s) and omission(s) upon which the proposed suspension action is based.

- C. The specific suspension action proposed and effective date(s).
- D. The cause(s) or reason(s) for the specific suspension action proposed.
- E. A copy of the applicable regulation(s) where it is claimed a violation of regulation(s) took place.
- F. A statement that the employee has the right to respond to the matters raised in the written notice both orally and in writing, including the submission of affidavits, prior to the end of the fifteen (15) calendar days following the date the written notice was served.
- G. A statement that the employee, upon request, is entitled to appear personally or with Association representation before the Superintendent or his/her designee regarding the matters raised in the written notice prior to the end of the fifteen (15) calendar days following the date the written notice was served.

At such meeting, the employee and/or his/her representative shall be granted a reasonable opportunity to make any representations the employee believes are relevant to the case.

- H. A statement that the employee, upon written request, is entitled to a full evidentiary hearing before a hearing officer before any suspension action is final.

The statement shall indicate that the proposed suspension action may commence after the fifteen (15) calendar days following the date the written notice was served. The statement also shall indicate that no full evidentiary hearing shall take place unless a written demand for such a hearing is delivered to the Superintendent or his/her designee within fifteen (15) calendar days after the date the written notice of proposed suspension action was served.

20.4 The employee in the bargaining unit shall receive a full evidentiary hearing on the proposed suspension action only if a written demand for such a hearing is delivered to the Superintendent or his/her designee within fifteen (15) calendar days of the written notice of proposed suspension action. In the absence of a demand for a full evidentiary hearing, the Superintendent or his/her designee shall act upon the charges after the time period for the hearing demand has expired.

- A. The full evidentiary hearing shall be conducted before a hearing officer. The hearing officer shall be selected pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association. Such hearings shall take place within a reasonable period of time but not before five (5) calendar days after the filing of a request for a hearing. Hearings will be presided over by the hearing officer. The employee shall have a right to appear in person on his/her own behalf, or with Association representation. The Association will have the right of attendance as a party of interest in the hearing.

- B. The hearing officer shall conduct the hearing and shall make a determination of the issues and finding of facts as well as ruling on questions, evidence, procedure and appropriateness of the proposed suspension. Either party may call witnesses, introduce evidence, testify, and question witnesses. The District has the burden of proof and shall first present evidence and testimony.

Normal procedures shall be followed (i.e., charging party presentation, defense cross-examination, defense presentation, charging party cross-examination, and rebuttal evidence from each party). The decision by the hearing officer shall be final and binding on the District, the Association and the employee.

- C. Hearings will be recorded at the request of either party with such expense being borne by the requesting party. The non-requesting party may receive a copy of the recording by paying one-half (1/2) the cost.
- D. If a unit member has been found by the hearing officer to be improperly suspended without pay, the District will reimburse the unit member for lost pay plus seven percent (7%) simple interest from the date of loss of compensation to the date of payment.
- E. The District will maintain the confidentiality of the suspension.

20.5 With respect to probationary employees whose probationary period commenced during the 1983-84 fiscal year or any fiscal year thereafter, the following provisions shall apply:

- A. In addition to the suspension provided in Section 20.2 hereof, the parties acknowledge that such probationary employees may be dismissed or suspended without pay for a specified period of time in excess of fifteen (15) workdays under Education Code section 44948.3. Among the reasons that may be deemed sufficient by the District to dismiss or suspend without pay such probationary employees are:
 - 1. Unsatisfactory performance determined pursuant to the Stull Act (Education Code section 44660, et. seq.)
 - 2. Cause, as defined in Education Code section 44932
- B. The Superintendent or his/her designee shall give thirty (30) days prior written notice of dismissal no later than March 15 in the case of second year probationary employees. Notice of the suspension without pay shall be given pursuant to Section 20.3. The notice shall include a statement of the reasons for the dismissal or suspension and notice of the opportunity to appeal. In the event of a dismissal or suspension for unsatisfactory performance, a copy of the evaluation conducted pursuant to Education Code section 44664 shall accompany the written notice.
- C. If the notice of dismissal or suspension is given; the employee shall have fifteen (15) calendar days from receipt of the notice of dismissal or suspension to submit

to the Board a written request for a hearing. The failure of an employee to request a hearing within fifteen (15) calendar days from receipt of a dismissal or suspension notice shall constitute a waiver of the right to a hearing. The hearing provided for in Section 20.4 shall constitute the hearing on the dismissal or suspension. However, the hearing officer's decision shall constitute a recommendation to the Board and shall be advisory only.

20.6 This article supersedes the suspension section provided for in the Education Code.

ARTICLE 21

LAYOFFS/DISMISSALS OF UNIT MEMEBERS

- 21.1 Unit member layoffs shall be made in accordance with the provisions of the Education Code.
- 21.2 Unit member dismissals shall be made in accordance with the provisions of the Education Code.

ARTICLE 22

LEAVES

22.1 Introduction to Leaves:

- A. Notification: Whenever possible, unit members shall notify the District in advance of any leave. Unit members will report absences, and request and release substitutes using the automated substitute notification system.

Unit members who intend to return from leave to serve at the start of the second semester shall notify the Human Resources department in writing by November 15 and by May 1st if they intend to return for the following school year. Request for extension of unpaid leave must also be made in writing and in accordance with the dates identified within this section.

- B. Unless otherwise provided in this article, a unit member on a paid leave of absence according to the provisions of this Agreement shall be entitled to:

1. Whenever possible, return to a certificated position, including same site which he/she held immediately before commencement of the leave.
2. Receive credit for annual salary increments provided the employee is in a paid status with the District for seventy-five percent (75%) of the regular workdays of the regular school year during his/her leave.
3. Receive during his/her leave, all other unit member health and welfare benefits described in Article 18, Health and Welfare Benefits, including insurance and retirement benefits, to the extent not expressly prohibited by law.

- C. Unit members granted unpaid leaves according to the provisions of this article shall be entitled to:

1. Return to a certificated position.
2. Continue to participate in health and welfare benefits provided the unit member pays the full premium costs.
3. Unit members returning from unpaid leave of absence of one (1) year or less will be assigned to their prior sites.
4. Regular 7-12 unit members who are returning from unpaid leave of absence of more than one (1) year will be placed in accordance with Article 35, Transfer; Section 35.3.

5. If the employee requests to rescind a granted leave under this article, his/her return to duty will be dependent upon the availability of a position within the employee's area of competency.

22.2 Sick Leave and Other Related Sick Leave Benefits for illness or Injury for Unit Members:

A.

1. Every unit member who is regularly employed five (5) days per week is entitled to ten (10) days of paid sick leave for each year of employment. Unit members who work less than full-time shall be entitled to a proportionate amount of paid sick leave. For unit members paid at an hourly rate, sick and injury leave benefits shall be computed on the basis of one (1) hour sick and injury leave for each eighteen (18) hours of service rendered to the District. Unit members who work an extended school year contract shall be entitled to a proportionate amount of paid sick leave.
2. Sick leave granted in Section 22.2.A.1, above is defined at current annual sick leave. All unused sick leave shall be accumulated from one (1) school year to the next school year. This is defined as accumulated sick leave.
3. At the beginning of each school year, every unit member shall receive a sick leave allotment credit, equal to his/her sick leave entitlement for the school year. A unit member may use his/her credited sick leave at any time during the school year.
4. All unit members, when absent due to sickness or injury, shall receive full pay for said absence by using their current annual sick leave days and/or their accumulated sick leave days.
5. All unit members who use all of their sick leave and subsequently fail to serve their assigned school year, shall have deducted from their final pay warrant the amount paid as provided in Section 22.2.B.3, for the number of days used beyond the earned sick leave.

B. Other Sick Leave Benefits:

1. In the event a unit member has depleted his/her available sick leave including the leave granted for the current year and all accumulated sick leave, and illness or injury compels further absence, he/she will be entitled to an additional one hundred (100) days of sick leave.
2. The sick leave, including accumulated sick leave, and the one hundred (100) day period shall run consecutively.
3. An employee shall not be provided more than one (1), one hundred (100) day period per illness or accident. However, if a school year terminates

before the one hundred (100) day period is exhausted; the employee may take the balance of the one hundred (100) day period in the subsequent school year.

4. During this one hundred (100) day period the amount deducted from the salary of the unit member shall not exceed the sum that is actually paid a substitute employee employed to fill his or her position during his/her absence or, if no substitute employee was employed, the amount that would have been paid to the substitute had he/she been employed. The District shall make every reasonable effort to secure the services of a substitute employee.
- C. The Assistant Superintendent of Human Resources or his/her designee may require a physician's verification of illness when a unit member has been on sick leave for six (6) or more consecutive days. This does not preclude the Assistant Superintendent of Human Resources or his/her designee from requesting additional verification when there is a demonstrable pattern of leave use that suggests the leave is being abused. Such requests for additional verification shall not be made in an arbitrary and/or capricious manner. The Assistant Superintendent of Human Resources or his/her designee may require a physician's verification of illness during any period of concerted activities.
- D. Unit members may use up to six (6) days per year (which may be consecutive), deductible from current or accumulated sick leave, to care for an ill child, parent, or spouse.

22.3 Use of Accumulated Sick Leave for Personal Necessity:

- A. Unit members shall be granted up to seven (7) days of personal necessity leave with pay per year, deductible from sick leave. All unused personal necessity leave shall be accumulated from one (1) school year to the next school year up to a total of sixteen (16) days.
- B. Personal necessity shall be defined as matters of a personal nature which cannot be conducted outside the normal workday.
- C. Unit members can take no more than five (5) consecutive days of personal necessity leave. The Assistant Superintendent of Human Resources or his/her designee may approve the use of additional days for special circumstances.
- D. When a unit member uses personal necessity leave for a non-emergency situation, the unit member must notify the principal/supervisor at least forty-eight (48) hours in advance. When the leave is for an emergency, the unit member shall notify the principal/supervisor as soon as possible for use of personal necessity. The use of the automated substitute notification system constitutes appropriate notification.

- E. If the unit member does not elect to use sick leave for personal necessity as provided herein, then a per diem salary deduction shall be made for each working day absent in accordance with the provisions of this article.
- F. Personal necessity leave under Section 22.3 may not exceed the total accumulation of the unit member up to the total of sixteen (16) days of permitted accumulation. The Assistant Superintendent of Human Resources or his/her designee may approve the use of additional days for special circumstances.

TEACHER INDUCTION AND SUPPORT PROGRAMS

25.1 Program Definition:

The programs include Induction and various support programs for new and continuing teachers. The SUHSD Teacher Induction program matches contracted teachers with mentors to develop proficiency in the California Standards for the Teaching Profession (CSTPs) through various support programs. The District and the Association shall collaborate to ensure that the Induction Program based on Section 44279.2c of the Education Code meets all state standards as established by the CCTC and CDE. The District will provide program access to all Bargaining Unit Members. The Induction Program shall be suspended for the year following any year the District initiates a 7-12 certificated Reduction in Force. For example, if the District initiates a RIF in 2018-2019, then the Induction Program is suspended in 2019-2020.

25.2 Participants:

- A. Induction Candidates: Induction Candidates are certificated unit members holding Preliminary or Intern credentials. All teachers holding Preliminary Credentials must begin participation in SUHSD Induction within 30 days of hire. Interns may or may not begin Induction coursework prior to issue of Preliminary credentials. Interns will participate in a mentoring relationship with colleague(s) at their site and/or in their content area. In addition to engagement with mentors, candidates participate as students in an online SUHSD Induction course, where they document engagement in an Individual Learning Plan (ILP) process and generate evidence of proficiency in the California Standards for the Teaching Profession (CSTPs).
- B. Peer Assistant and Review (PAR): Permanent teachers who have received a summary evaluation that is rated as unsatisfactory (Education Code 44500).
- C. Other: Experienced teachers who are new to the District or new teachers hired late in the year.

25.3 Joint Governance Panel:

The teacher support programs will be governed jointly by the District and the Association. The annual Mentor team will be approved by the Joint Governance Panel. The Joint Governance Panel will monitor the progress of the Mentors and the teacher participants. The Joint Governance Panel will be composed of five (5) members selected by the

Association and four (4) members selected by the District. Members of the Panel serve a term of one (1) year. Association representatives may be re-selected by the Association at the discretion of the president of the Association. District representatives may be re-selected at the discretion of the Superintendent or designee. Five (5) affirmative votes will be necessary for any decision of the Panel that requires a vote be taken. The Joint Governance Panel will convene every other month.

Bargaining unit members who serve on the Joint Governance Panel will receive the pro rata per diem rate of pay for any work outside their normal duty day which is approved by the Induction Program Manager. Panel members shall receive one (1) hour of preparation time, paid at pro rata per diem, on any day that they are required to be away from the classroom for the entire day to perform duties authorized by the Induction Program Manager for induction related duties or by the designee from Human Resources for PAR related duties. Bargaining unit members on the Team may also access class coverage and substitute funds so they may accompany the Induction Program Manager, Induction Mentors and/or Candidates on site visits or other work related to Induction in the SUHSD.

25.4 Mentor Positions/Selection:

Induction Mentors are experienced teachers holding Clear Teaching Credentials who have been activated from the Induction Mentor Pool on a yearly basis for an expected term of at least two years. An Induction Mentor engages each Induction Candidate in at least 30 hours of mentoring throughout the calendar year and may work in one of three capacities:

- A. Full-time (1.2 FTE) classroom release (to support up to 20 Candidates)
- B. Half-time (.60 FTE) classroom release (to support up to 10 Candidates while concurrently working at least .20 FTE as a classroom teacher), and
- C. Extra duty (to support up to 3 teachers beyond the duty day and compensated at a rate of \$1670 per Candidate).

Mentors attending professional development beyond their work day are compensated. Teachers apply to become members of the Induction Mentor Pool. Those meeting standard expectations join the Pool. By April 15th of each year, the Induction Program Manager recommends activation of a Mentor Team of individuals from the Pool to serve a one-year term the following year in proportion to Candidate needs (region, content area, existing relationships). The Joint Governance Panel approves recommended Team (or recommends changes prior to approval). Unless the Program Manager cites multiple data sources warranting deactivation of individual(s) by the Joint Governance Panel, mentors serve for terms of at least 2 years. Additional mentors may become activated as candidates

are hired throughout the year. All participants will be evaluated in accordance with Article 14, Evaluation, of the Collective Bargaining Agreement. An Induction Mentor will not be the evaluator of any Candidate. Induction Mentors will not be asked to recommend or not recommend teachers when the District is considering the re-election of the teacher.

25.5 Induction Program Duration:

Candidates engage in standard Induction program activities over a two (2) year period of time. A Candidate is considered officially enrolled in SUHSD Induction once s/he has submitted forms accessible via the Induction page of the SUHSD Professional Growth website. Qualified Candidates may apply for the one (1) year Early Completion Option (ECO). The deadline to apply for the ECO is the end of the first quarter of each year; all selected ECO applicants will be notified by the end of the tenth week of the year. ECO completers will be notified of their status within one year of their enrollment in SUHSD Induction. If a participating teacher is unable to complete all of the Induction Program requirements within the two (2) year period, he/she may file an appeal for an extension to the Teacher Induction Program Manager no later than the first semester of the third year. If the extension is granted, the requirements of the program will remain the same, but support may be limited.

25.6 Accommodating Mentor Needs:

Full-time Induction Mentors will be provided work space and equipment. Half-time Induction Mentors will be housed at the site where they teach at least one classroom period. Extra duty Mentors will work from their home schools and will receive half their candidate stipend at the end of first semester and the other half at the end of the second semester. Mentors matched to candidates outside their home schools may request reimbursement of mileage related to travel to and from meetings with Candidates for Induction business. Mentor participation in required professional development events (two hours every other month) is compensated at the extra duty curriculum writing rate of pay. At the completion of the mentoring assignment all Full-time Induction Mentors will be allowed to return to a classroom assignment at his/her previous site to a comparable teaching assignment.

25.7 Appeals Process:

When necessary, the Induction Program Manager will negotiate with candidates and mentors to revise matches on an ongoing basis. Changes in mentor/candidate matches will be discussed by all concerned and whenever possible decisions will be derived from consensus. The Joint Governance Panel will meet with the Induction Program Manager to discuss and resolve any appeal within one month of its submission.

25.8 Professional Development:

Induction Mentors participate in regular opportunities for professional development in the areas of coaching, adult learning theory, effective communication and other topics as determined by mentors, the Induction Program Manager and members of the Joint Governance Panel. All mentors will be offered ten hours of paid pre-service training and at least two hours of training every other month. Additionally, an online Induction Mentor Networking course provides mentors ongoing opportunities to problem solve and gain access to resources. Candidates participate in ongoing engagement with mentors (at least 30 hours over the course of the year) and receive two hours' training every other month.

25.9 PAR:

The Parties agree that the Joint Governance Panel will develop a pilot program for the 2017-2018 school year, subject to agreement of the Parties, through which to deliver PAR services. Human Resources Service Division shall manage the PAR pilot program's implementation, services and oversight. The Parties will negotiate over PAR language after the pilot is completed. Section 25.9 will sunset as soon as a side letter implementing the PAR pilot is executed and the parties complete negotiation over language changes.

PART-TIME EMPLOYMENT

27.1 Part-time employment for a teacher work year may be requested by a permanent employee through written application and may be granted at the discretion of the District including the site of assignment. Applications must be filed by May 1 each year. "A conference period" shall be defined as ten (10) minutes before and after school. The employee, who is serving in an assignment that is at least fifty percent (50%) of a full contract assignment, shall serve a pro-rated number of the supervision assignments required of full-time staff.

27.2 An employee must notify in writing to their immediate supervisor, no later than April 15, of the intent to reapply or terminate part-time status. Any employee who terminates from his/her part-time position shall be eligible for full-time employment.

- A. Changing school boundaries;
- B. Declining enrollments;
- C. Compliance with federal and/or state mandates; and
- D. Changing curriculum needs at the sites.

27.3 An employee accepting a part-time assignment will have salary and preparation time prorated according to the following formula:

- .2 assignment = one (1) teaching period and twenty percent (20%) preparation period = twenty percent (20%) of full-time salary;
- .4 assignment = two (2) teaching periods and forty percent (40%) preparation period = forty percent (40%) of full-time salary;
- .6 assignment = three (3) teaching periods plus ten (10) minutes of non-instructional time plus fifty percent (50%) preparation period = fifty percent (50%) of full-time salary plus full health benefits. This assignment may include an advisory period of twenty (20) minutes or less. If the assignment includes an advisory/directed study period of more than twenty (20) minutes, the salary will be paid at sixty percent (60%) of full salary;
- .8 assignment = four (4) teaching periods plus a preparation period = eighty percent (80%) salary plus health benefits.

- 27.4 The employee on a part-time assignment will receive sick leave and personal necessity leave on a prorated basis; all other leaves apply, as appropriate.
- 27.5 The employee who works at least half-time shall receive full District benefits for health, life, vision, and dental insurance as though rendering full-time service.
- 27.6 Approval of the employee's request shall be predicated upon District staffing requirements with consideration given to the strengths of employees so that a balanced curriculum meeting the adopted policies of the Board is provided. If all considerations stated herein are equal, length of District service will determine the teachers selected under the provisions of this article.
- 27.7 The employee's retirement contributions and the District's contributions will be pro-rated in accordance with STRS regulations.

PRE-RETIREMENT REDUCTION IN WORKLOAD

In accordance with Education Code section 44922, a unit member may reduce his/her workload prior to retirement from full-time duties and receive the same credit toward retirement he/she would have received if he/she were employed on a full-time basis. Regulations governing this provision are as follows:

- A. The employee must have attained the age of fifty-five (55) years by September 1, of the school year in which work reduction begins.
- B. The employee must have been employed as a full-time certificated employee for at least ten (10) years, of which the last five (5) years were in full-time employment in the District.
- C. Entry into the five (5) year Part-Time Employment Plan must be exercised at the request of the employee and termination of the plan thereof can be only with mutual consent of both employee and employer. (Final approval of employee participation would rest with the District). It is understood that at the termination of the unit member's participation in the Part-Time Employment Plan, the employee will begin his/her retirement. However, in the event of proven hardship, the District may grant an exception (e.g., death, divorce, bankruptcy, etc.).
- D. The option to participate in the Part-Time Employment Plan shall be through written request of the employee to the Human Resources Department. Such a request as noted above is to be submitted on a District prepared form. Applications should be submitted annually by May 1.
- E. The employee shall be paid a salary which is the pro rata share of the salary he/she would have earned had he/she not elected to exercise the option of a Part-Time Employment, but shall retain all other rights and benefits for which he/she makes the payments that would be required if he/she remained in full-time employment. The employee shall receive all fringe benefits as provided in section 53201 of the Government Code in the same manner as a full-time employee.
- F. Minimum and maximum Part-Time Employment shall be as follows: Unit members must teach at least half-time to be eligible for the program. The selected work schedule may consist of teaching either one hundred percent (100%) of one (1) semester, and zero percent (0%) of the other, or another part-time assignment as defined in Article 27, Part-time Employment; Section 27.3.

Non-classroom employees who are unit members will be required to be on duty either: one hundred percent (100%) of one (1) semester and zero percent (0%) of the other semester; or another part-time assignment for the entire year, hours as mutually agreed upon.

- G. Deductions for STRS contributions by the District and by the part-time employee shall be equal to the amount required of a full-time employee. Deductions are to be made on a monthly basis depending on the pay program selected by the employee.
- H. Each unit member participating in this plan will earn sick leave in proportion to the percent of employment per year. Example: Fifty percent (50%) (half-time) employment would yield sick leave of fifty percent (50%) of ten (10) days or five (5) days of sick leave. Such sick leave would be cumulative.
- I. The District will announce annually the availability of the Part-Time Employment Plan to all employees.
- J. All provisions of this program will be available to each employee through building principals and administrative department heads.
- K. Participating employees will be scheduled for individual meetings by the Human Resources Department to develop a mutually agreeable program for the employee on or before May 30.
- L. Where two (2) or more employees apply for the same part-time position, such position shall be filled by the employee with the greatest District-wide seniority.
- M. Employees who participate in the Part-Time Employment Plan will perform extra duties proportionate to full-time employees. (Half-time employees will perform half [1/2] as many duties as full-time employees).
- N. Upon written request by an authorized Association representative, the District shall provide the Association with a list of unit members who have been approved for Part-Time Employment for the following year.
- O. The Agreement between the District and the participating unit member shall be consummated on or before June 10. (The unit member may be accompanied by an Association representative in any meeting he/she attends with the District, pursuant to this article).
- P. Application for participation in the program shall be completely voluntary and at the discretion of the employee.

- 29.9 Notwithstanding any other provision of this article, any bargaining unit member who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join, maintain membership in, or financially support any employee organization as a condition of employment, except that such unit members are required, in lieu of payment of the agency fee to the Association, to pay an amount equal to the current Association's agency fee to any non-religious, non-labor organization, charitable funds exempt from taxation under section 501(c)(3) of Title 26 of the Internal Revenue Code as approved by the Association. - A. Each period of the 7-12 day shall be approximately sixty (60) minutes in length. The length of class periods may be modified by the principal to allow for other instructional programs after consulting with the FAC and the change is approved by a sixty percent (60%) site unit member vote.

The programming of advisory, silent reading and nutrition break are not considered as teaching periods under this section. Unit members assigned to advisory, SSR, directed study, or any other such program, will not be required to give scholarship grades in those classes.

In addition, a principal and unit members may modify the class periods to provide for innovative scheduling provided that sixty percent (60%) of the unit members voting approve for this modification. The following procedures will be followed for considering and implementing an innovative schedule:

- B. The following procedures will be followed for considering and implementing an innovative schedule:
1. New School/New Programs: An innovative schedule may be suggested for study by consensus of the FAC or by a petition signed by twenty-five percent (25%) of the bargaining unit members at the site. When an innovative schedule is approved for the first time, the plan will include a time line for periodic evaluations. The FAC will ensure that an evaluation will occur yearly. Adjustments may be made as a result of the evaluation. By May 15 of the third year, the staff will vote to either continue or discontinue the current schedule.
 2. All sites implementing an innovative schedule shall be required to offer on-going staff development training.
 3. If a current program is discontinued, or a proposal does not receive the necessary vote for implementation then that same proposal cannot be reconsidered for a period of three (3) years unless it can be clearly demonstrated that significant changes have taken place at the site.
- C. Election Process
1. Ballots shall include the purpose for the change and exact bell schedule.
 2. SEA Site Representatives shall conduct the election over a period of three (3) consecutive duty days and every effort shall be made to ensure that all site bargaining unit members have an opportunity to vote.

3. 60% of site bargaining unit members voting must approve the change before it shall be implemented.

34.4 One-Sixth Assignments:

- A. The availability of one-sixth (1/6) assignments will be announced at the site through normal means of communication such as bulletin notices, faculty meetings, and e-mail. Noticing of positions shall include the actual subject matter of the one-sixth.
- B. The parties agree that it is best practice for all non-instructional resource assignments to be built into a teacher's 1.0 position as opposed to treating these sections as one-sixths. For teaching positions that included both instructional and non-instructional assignments, any resource assignment not built into a teacher's 1.0 position shall count towards the cap set forth in 34.4.F., but will not be subject to noticing and rotation requirements. In no case shall a resource assignment be a one-sixth for the same teacher for two consecutive years.
- C. Unit members may volunteer to teach a sixth period subject to the restriction in Sections 34.4.F., below. First consideration for selection will be given to unit members who were not assigned a sixth teaching period the previous year. No teacher shall teach a seventh period.
- D. The District and Association agree that it is not the intent of this modification to reduce the number of teaching positions. If the total of one-sixth (1/6) teaching assignments in a discipline or subject area reaches the equivalent of a 0.8 FTE position, the District shall post the vacancy for hiring.
- E. The following positions are excluded from the count and calculation of one-sixth assignments under 34.4.F.: 1) Learning Center Teachers, 2) Special Educators, 3) Full-time Resource Positions.
- F. One-sixth (1/6) per diem assignments in the 7-12 school assignments (excludes Learning Center, Special Education, and Full-time Resource positions) will be calculated and capped by site as follows:

High School one-sixth (1/6) per diems:

1 st Semester	Fifteen (15) per site
2 nd Semester	Eleven (11) per site

Middle/Junior High School one-sixth (1/6) per diems:

1 st Semester	Nine (9) per site
2 nd Semester	Nine (9) per site

- G. Each semester, the Association will be provided with a report on the use of one sixth (1/6) per diems.

TRANSFER

35.1 Definitions:

For the purpose of transfer within the Sweetwater Union High School District, the following definitions will hold:

- A. A transfer is defined as a change in regular assignment from one (1) 7-12 School or site to another 7-12 school or site within the District.
- B. A voluntary transfer is one initiated by a unit member in the regular 7-12 School program in the District.
- C. An involuntary transfer is one initiated by the District due to declining enrollment, declining F.T.E. (verified by site data at the time of an involuntary transfer), and/or demonstrable instructional need(s) in accordance with the needs of the District. Supportive data shall be discussed with the FAC.
- D. An administrative transfer is a change in regular assignment from a school site initiated by the District.
- E. An open position is any full-time position on a site master schedule which is not assigned to a permanent or probationary unit member. Temporary positions shall not be designated as open positions.

The FAC will be notified on the first day of the semester of any open positions remaining. Postings for open positions shall be in accordance with Section 35.2.

- F. Temporary positions will be identified by the District at each site. Such positions will be designated in accordance with the provisions of the Education Code. The number of temporary positions will not exceed the number of temporary unit members authorized by the Education Code. Temporary positions are not subject to posting requirements.
- G. Seniority is defined as the longest number of years of District seniority as defined by the Education Code.

35.2 Voluntary Transfer:

- A. The District shall post on the Human Resources webpage, provide to the Association and school sites via district e-mail, and via district e-mail communication to each member.

1. Postings will be made the first working day of May, June, July, and August, May 15, and June 15, two (2) weeks prior to the start of semester I, and ten (10) duty days prior to the start of semester II.
2. Creation of an open position by any resignation, retirement, death, or otherwise separates from the District, or increased enrollment during semester I will be posted for semester II. Any other positions which are open after the final posting for that semester will be filled at the discretion of the District.
3. Second semester vacancies will be posted for the next semester on the same basis as postings made pursuant to Section 35.2.A.2.
4. Posting dates other than those identified will be at the discretion of the District.
5. All postings shall be for a minimum of six (6) duty days and shall contain a closing day for submitting requests for transfer.
6. No assignments to fill the open positions shall be made until after the closing date.
7. The District shall determine temporary positions. The number of temporary positions will not exceed the number of temporary employees authorized by provisions of the Education Code.
8. Each posting must contain information on work location, subject areas to be taught, required credentials and special qualifications, if applicable.
9. All full-time class size reduction positions must be posted unless they are determined to be temporary.
10. Positions designed to replace a teacher on leave for a year or less will be given to the teacher returning from leave. If the teacher does not return from leave in a year, the position becomes an open position.
11. If a posting includes more than a single subject area, then the area with three (3) or more sections will be listed first. In this case, the subject listed first will be the area used to determine whether an applicant has a point for major/credential in the subject area of the posting. The area that has more sections will be used to determine points under the criterion of Section 35.2.B.1.

If no one (1) subject area has more sections than the others, one (1) of the subject areas with the higher number of sections will be listed first. That subject area listed first will be given the points for major/credential under the criterion.

12. If a posted position becomes void, postings of that position will be voided on the next posting. Postings of voided positions must be canceled prior to posting any position which contains all or part of the assignment specified by the voided position.
 13. Whenever the District opens a new school, the provisions of this article shall apply only to one-half (½) of the positions identified to staff the new site. All other positions shall be filled in accordance with District needs. The Association and the District shall meet to determine the period of time for which this provision shall apply.
 14. The District and the Association may mutually agree to exclude specific positions with unique requirements from the posting/selection provisions of this article.
 15. Upon request, a District representative and representative of the Association will meet with a Human Resources administrator to discuss the information and procedures of postings to unit members.
- B. Unit members who desire a transfer to a posted open position may file a transfer application with the Human Resources Department. Applications of all qualified unit members will be sent to the site principal for selection. The site principal will screen the applicants for consideration. Unit members will not be eligible for voluntary transfer during the first year of their probationary period.

If there are six (6) or more qualified unit member applicants for the posted position(s), then a unit member shall be selected for the position(s).

If there are five (5) or fewer qualified unit member applicants, then the District will interview all the applicants along with non-unit members and may select either a unit member or a non-unit member(s) for the position(s).

On-site unit members will be considered for open positions before the position is posted. Unit members may make their interest in potentially available positions known through use of the assignment preference form or through direct communication with the site principal or the FAC.

The following criteria shall be used by the principal in selecting an applicant for the posted position. In the event of a tie, these criteria shall be applied in rank order:

1. Major, primary authorization or authorization listed on a specialist credential.
2. Seniority

3. Bilingual specialist, bilingual certificate of competence, bilingual emphasis credential.
4. Previous performance evaluations.
5. Flexibility of credential.
6. National Board Certification (Current)

C. Application of Criteria:

1. Major/Minor Credential: The intent of this criterion is to give preference to those with majors in the field of the posting over those with minors in the field. This criterion may be met by having a "major" listed as such on the credential (standard secondary); it may be listed as a major on college transcripts; it may be listed as the primary authorization in a single subject credential or a specialist credential.

If an applicant (lacking a major in the posted position) has a minor or supplementary authorization and has taught in a specific subject for ten (10) years or more, he or she will receive a point for major/credential. The burden of providing satisfactory proof to the District of such experience rests with the applicant

2. Seniority: Only District seniority is applicable in voluntary transfers. The most senior remaining applicant (in later rounds) receives a point.
3. Bilingual: Only those credentials listed in Section 35.2.B.2, are recognized for points under the application of this criterion. Applicants must hold one (1) of the listed bilingual certificates to receive a point in this category. Only Spanish and Tagalog certificates will be counted within the scope of this criterion. The Bilingual Fluency Exam (FSI Standard) shall be dropped from the criterion.
4. Evaluations: The last two (2) performance evaluations must have an overall satisfactory rating in order for the applicant to receive a point.
5. Flexibility of Credential: An applicant shall receive a point for being credentialed to teach three (3) or more subjects. A CLAD credential, LDS certificate, and ELD certificate shall be included among the credentials that may be considered for the awarding of an extra point.
6. National Board Certification: The applicant shall receive a point for having a current National Board Certification in the posted position subject area.

7. Tie Breaker: If there is a tie among applicants, the rank order of criteria will be used to break the tie. If rank order does not determine a selection, the selection shall be made by the principal.

When offered the transfer position, a unit member has five (5) duty days after District notification to accept the offered position. If the first unit member fails to accept the offered position, the unit member with the next highest number of points shall be offered the position until the position is filled.

If a teacher resigns from a position after having accepted the position, the new open position will be posted if it falls within a posting period specified within this article.

- D. Unit members who are considered but not selected for the posted position will be notified of their non-selection. They may also request a written statement from the Human Resources Department or designee indicating the reasons the unit member was not selected.
- E. The Association shall be provided with a list of all applicants for each posted position concurrently with release of the list to the site. After each Board meeting, the Association shall be provided the employment, change of status, and separations of certificated personnel.
- F. During the summer months and Intersession periods, a unit member may leave a letter on file with the District and with the Association indicating his/her transfer desires should a position arise.
- G. Upon request, one (1) day of instruction free duty time for preparation and orientation in the affected school shall be allocated to the unit member being transferred if school is already in session. In order to facilitate the change in assignment, custodial services shall be provided at the request of the unit member.

35.3 Involuntary Transfer:

- A. If a reduction of staff is necessary at a school site, the principal shall determine the staffing needs of the school site. The principal will discuss the staffing needs with the FAC. When an involuntary transfer is necessary at the school site, the principal shall first solicit unit members to voluntarily transfer. If no unit member volunteers to transfer, the following criteria shall be used by the principal in identifying the individual to be transferred:
 1. Staffing needs
 2. Credential, major, minor, and/or special considerations

After the principal, with input from the FAC, has determined the area(s) of subject(s), and reduction(s), the following seniority system shall be considered to identify the involuntary transfer(s):

- a. Longest number of years of District seniority as defined by the Education Code;
 - b. Longest number of years of consecutive service at the school or site;
 - c. Longest number of years of service with the department;
 - d. The District's ability to place the involuntary transfer(s) at another site.
- B. 7-12 school involuntary transferees shall be notified in writing as soon as practicable after the need for transfer is confirmed. All notices of involuntary transfer shall include the reason for the involuntary transfer.

An involuntary transferee shall be given the right of the first refusal to his/her original site for vacancies for which he/she qualifies which occur within twelve (12) months of the date of transfer.

- C. Upon request, one (1) day of instruction free duty time for preparation and orientation in the affected school shall be allocated to the unit member being transferred whether voluntary or involuntary if school is already in session. In order to facilitate the change in assignment, custodial services shall be provided at the request of the unit member.
- D. On or about December and June of each year, the involuntary transferees, teachers returning from special assignment, and persons returning from leave will be identified. The District, in consultation with the Association, will determine which positions are to be withheld from posting so they can be offered to the involuntary transferees and persons returning from leave.

The District will attempt to fill positions within thirty (30) days prior to the start of the semester or by June 15.

Any withheld positions not taken by an involuntary transferee, teachers returning from special assignment, or persons returning from leave will be posted, unless the position(s) are identified as temporary positions. The involuntary transferees, teachers returning from special assignment, and persons returning from leave will be given a chance to select from this pool of available positions.

Involuntary transferees will select available positions in order of District seniority. They will be given one (1) chance to select a position from this pool afterwards the unit member(s) should apply for posted positions for which they qualify.

After July 1, the District may place involuntary transferees, teachers returning from special assignment, and unit members returning from leave in accordance with the needs of the District. Placement may not be arbitrary or capricious, nor shall it restrict the right of a bargaining unit member to otherwise apply for transfers in accordance with this article.

- E. Involuntary transferees created in the conversion of a junior high school to a middle school will be given the right of first refusal for positions for which they qualify at the newly formed or receiving four (4) year high school. If more than one (1) unit member expresses interest in the position, the criteria of Section 35.2 will be applied.
- F. Involuntary transferees created in the conversion from nine-twelve to ten-twelve schools and seven-eight to seven-eight-nine schools will be given the right of first refusal for positions for which they qualify at the newly formed school. If more than one (1) unit member expresses interest in the position, the criteria of Section 35.2 will be applied.

35.4 Administrative Transfer:

Should a determination be made by the Superintendent or his/her designee that an administrative transfer is necessary, such a transfer may be made following a conference with the unit member(s)

No such transfer shall be made in an arbitrary or capricious manner.

Any open position created by an administrative transfer shall be posted if it falls within the posting period.

Upon request, one (1) day of instruction free duty time for preparation and orientation in the affected school shall be allocated to the unit member being transferred if school is already in session. In order to facilitate the change in assignment, custodial services shall be provided at the request of the unit member.

35.5 Layoff:

If the District sends out letters of layoff to bargaining unit members, copies of said letters or a list will be sent to the Association at the time the unit member is notified.

35.6 Transfer From Adult Education:

Teachers transferring from the adult education program to the 7-12 program shall be given step credit based on their years of service in the Adult School program. One (1) year of credit shall be given for each year of service in which the teacher has worked nineteen (19) hours a week for seventy-five percent (75%) of the school year. (See Appendix C-6)

The Board's policy relative to seventy-five percent (75%) of the working days of a person's assignment relative to eligibility for increment is interpreted as follows:

Any unit member under contract for seventy-five percent (75%) of the working days including sick leave, but excluding leaves without salary or personal leave, will have met the requirements for eligibility for an increment for the following year.

2. All previous teaching experience shall be recognized for initial salary placement of new teachers. In addition, military experience since January 1, 1970, shall be recognized for initial salary placement of new teachers. Initial salary placement shall be made by the Division of Human Resources in accordance with the following:
 - a. One (1) step credit for each year of verifiable teaching experience.
 - b. One (1) step credit for each two (2) years in military service up to a maximum of three (3) steps.
 - c. Maximum placement on the ninth step for a combination of the above for 7-12 unit members hired prior to January 1, 2003. The maximum allowable step placement will increase by one (1) year each January, until January 1, 2007, at which time all previous teaching experience (in accordance with A.1. above) will be credited to newly hired teachers. For example: unit members hired after January 1, 2003, may be hired at a maximum of Step 10; unit members hired after January 1, 2004, may be hired at a maximum of Step 11.
 - d. Maximum placement on the third step for a combination of the above for Adult Education unit members.

3. Years of teaching experience outside of the District which were previously recognized, even though not granted, by the District for initial salary placement credit shall be recognized the same as in District experience for advancement to Step 18, 22 and 26 for Class V, VI and VII of the 7-12 salary schedule. Teaching experience previously verified by the District at the time of employment may be credited to an employee for anniversary placement, if requested at the completion of Step 14 of the salary schedule.
4. Years of teaching experience outside of the District which were previously recognized, even though not granted, by the District for initial salary placement credit shall be recognized the same as in-District experience for advancement to Step 18, 22 and 26 for Class I, II and III of the Adult Education salary schedule.

Salary adjustments become effective July 1.
